MATHS

Pupils will be working on:

- Fractions – add and subtract fractions with the same denominator and compare and order unit fractions, and fractions with the same denominators.
- Shape – describe properties of 3D shapes and make them out of modelling materials.
- Statistics – interpret and present data and solve one step and two step questions.
- Multiplication – a focus on multiplying two-digit numbers by one-digit numbers.

ENGLISH

Pupils will study the book *Greek myths for young children* by Anna Milbourne.

Writing tasks will include:

- Narrative writing – their own version of a Greek myth
- Instruction writing – how to build a Trojan horse.
- Diary entry – writing as either Daedalus or Icarus

SCIENCE

This half term's work is about plants. Pupils will:

- Plan and conduct and investigation into what help a plant to grow
- Learn the structure different parts of a plant, as well what they need to survive.
- Discover why plants are essential and the role they play in our ecosystem.

ART AND DESIGN

Pupils will:

- Make an ancient Greek vase use clay.

Myth or Reality?

From nothingness came chaos; from chaos came air and water; from air and water came life. Then, rising majestically from the darkness, came Gaia, Mother Earth, a beacon of warmth and light. Discover a fantastical world full of mythical creatures and legendary heroes. Poseidon, Apollo, Artemis and Zeus reign almighty from Mount Olympus, watching mere mortals on dusty Athenian streets. Meet Theseus, the hero, and Helen of Troy, the beautiful face that launched a thousand ships. Explore the terrains of Greece, where in pure blue skies, the Sun scorches waxen wings and melts the fortunes of Icarus and Daedalus. Then decide your own fate when a mysterious box is found and stirs your curious mind.

HISTORY

Pupils will:

- Place The Ancient Greek period on a timeline and compare it to other periods of history they know about
- Learn what life was like in Ancient Greece using photographs of artefacts
- Consider the legacy of Ancient Greece – what did we inherit from this period of history?
- Learn about famous Greeks such Pythagoras

SMSC

RE

Pupils consider the question 'How can we live in peace together?'.

PSHE

Pupils will continue to have weekly lessons using the Jigsaw scheme of work. This half term's unit of work is 'Relationships'.

PHYSICAL EDUCATION

Pupils will:

- Take part in athletics during PE lessons.
- Real PE

COMPUTING

This half term's unit of work focuses on presentation skills. Pupils will:

- Plan a branching story, create slides from templates, add hyperlinks and add themes and animations to slides.

FRENCH

The topic this term will be 'Our School'. Pupils will:

- Listen and respond to topic vocabulary.
- demonstrate understanding with actions
- write sentences converting le/la to un/une
- answer questions using the topic vocabulary

MUSIC

- Pupils will continue using the Charanga scheme of work, with a focus this half term on disco music!
