## MATHS

- **Number: Number and Place Value –** Children will compare, order and write numbers up to 1000, understanding the value of each digit.
- **Number: Addition and subtraction –** Children will add and subtract three-digit numbers mentally and using formal written methods
- **Number: Multiplication and division –** Children will recall and use multiplication and division facts for 3, 4 and 8 multiplication tables

## ENGLISH

**The Write Stuff**

- Comedy narrative based on 'The Incredible Book Eating Boy' story book.
- Instructions based on 'My Strong Mind' book.
- Children will have the opportunity to plan, independently write and edit their work.

## SCIENCE

- Children will learn about different materials, focussing specifically on rocks.
- They will learn where rocks come from, how they are formed, the differences between man-made and natural rocks and how we use them.
- Children will have the opportunity to work scientifically, conducting experiments to sort, classify and test different types of rock.

## FRENCH

- The children will learn to greet each other in French.
- They will learn the numbers 0-12 through rhymes and songs.
- The children will begin to ask and respond to simple questions.

# Is it fair to trade?

# Year 3 – Autumn 1

Tuck in and enjoy a yummy journey of discovery, tasting fantastic fruits, venerable vegetables and tantalising treats! Work up an appetite with delicious stories about food, have fun with a vegetable orchestra or become a fruity sculptor. Then get busy in the kitchen making tasty dishes from across the world and discover how good food helps you grow fit and strong. Here's food for thought – if you are what you eat, what does that make YOU?

## GEOGRAPHY

- Children will research the journey taken by a banana from its country of origin to the fruit bowl. They will then plot this on a map
- Children will match pictures of unusual foods to their country of origin
- Children will find out about Fair Trade foods and why some people prefer to purchase these products.

## SMSC

**RE**

- The children will be considering the creation story, focusing on the Christian understanding and comparing this to other religions.
- The children will be focusing on the unit 'Being Me in My World' as part of the 'Jigsaw' scheme.

## PHYSICAL EDUCATION

- **Real PE –** Children will complete the first Real PE unit for Year 3, covering a range of basic skills.
- **Athletics -** Children will have a weekly athletics lesson where they will learn, practice and compete in different track and field events.

## COMPUTING

**Online Safety**

- Children will understand that there are many ways to communicate and collaborate online including email and instant chat and they learn to use these technologies respectfully, responsibly and safely.
- They know how to report concerns about unwanted contact and content.

## ART AND D&T

**D&T**

- **'The Great Bread Bake Off'** - Children will gain an insight into the history of bread production, then investigate and evaluate existing bread products. They will design, make and evaluate their own bread product.

## MUSIC

**Charanga Music – Let Your Spirit Fly**

This unit is centered around one song called 'Let Your Spirit Fly'. The unit has an integrated approach to music where games, the dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments (glockenspiels) are all linked.

**SPECIAL EVENTS**

Trip to Cadbury World
